When in the arduous process of selecting a person to whom the 1976 Gnome should be dedicated, we chose a faculty member who has relinquised his own desires for the school. But this man has also amplified the sound of the bicentennial class of 1976. With the furnishing of his time, his effort, his concern, and his sincerity, the music of this Senior class will be heard forever. Mr. Nelson, we, the class of 1976, enjoy bestowing upon you the greatest thanks possible.

Thank you.

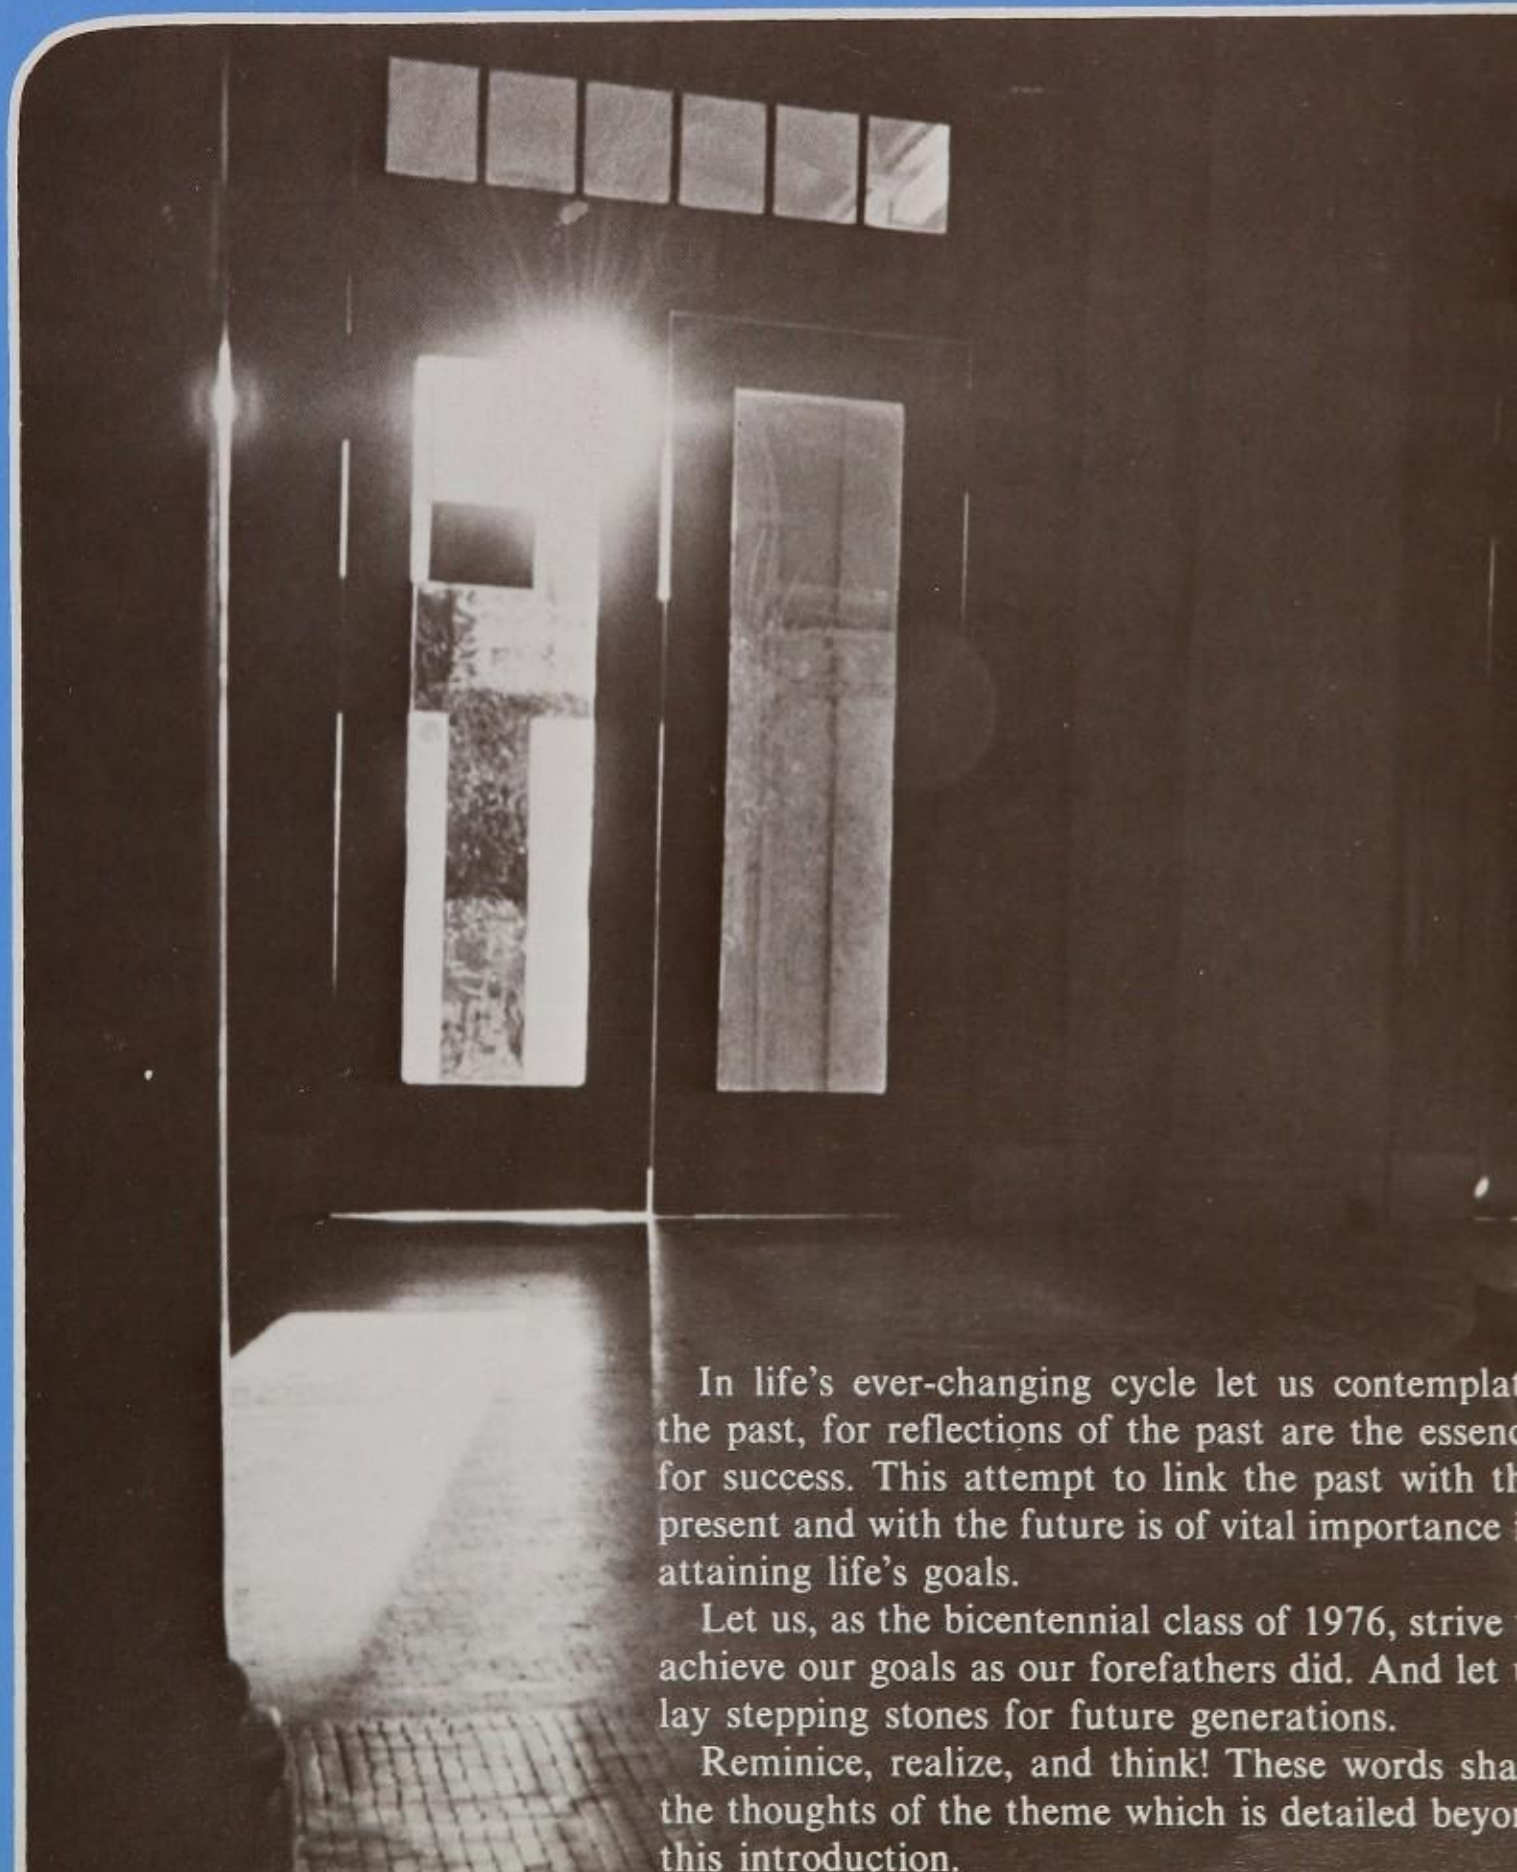
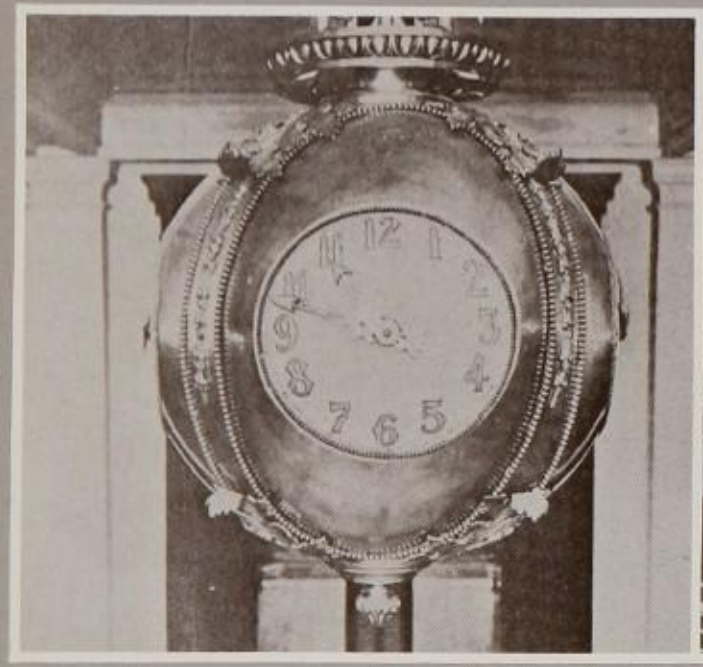
Forward



In life's ever-changing cycle let us contemplat
the past, for reflections of the past are the essenc
for success. This attempt to link the past with th
present and with the future is of vital importance
attaining life's goals.

Let us, as the bicentennial class of 1976, strive
achieve our goals as our forefathers did. And let
lay stepping stones for future generations.

Reminice, realize, and think! These words sha
the thoughts of the theme which is detailed beyo
this introduction.



ACTION ON

WOULD YOU BELIEVE?

Quips: Should a female teacher marry, her place shall thereupon become vacant. No person with a husband living shall be eligible for appointment in schools of this city . . . D.H.S. was the first school to provide adequate toilet facilities . . . There shall be appointed to the high school one *male* principal and one *male* vice-principal, who shall direct and control the operation of the high school . . . Substitutes for absent faculty members will be paid $2.00 per day . . . In 1872, the Board of Education assigned the third and fourth floors of School No. 5 to a group of 73 students, who then became the first class of the first high school in Jersey City.

HILLTOP

Ground was broken on July 6, 1904, by Mayor Fagan and following the authorization of a contract with Architect Roland, construction began on October 5 of the same year.

Characterized in history as the initiation of education in Jersey City; Jersey High, in 1906, opened its doors to 1,709 students.

Needed facilities, such as an added gymnasium, swimming pool, and heating plant proved to be the pertinent reason for the building of the annex in 1933. Along with these additions, a library, photographic dark room, cafeteria, and pupils relieving room joined the elements of Jersey High.

During the post war years of WWII, D.H.S. students commenced to establish a fund concerning the construction of a memorial statue to "Dickinson War Heroes". The unveiling of the group guarding D.H.S. marked the 50th anniversary of a Jersey City High School and the 25th anniversary of Dr. Hopkins' position as principal. Alumni from 1872, and of succeeding years, mingled with those of the class of 1922 during the celebration of the year.

The halls of Dickinson have seen many important and famous faces. People such as Presidents Taft and Wilson, Helen Keller, Secretary of State Bryan, Theodore Roosevelt, and many others have placed their names in our Visitor's Signature Book.

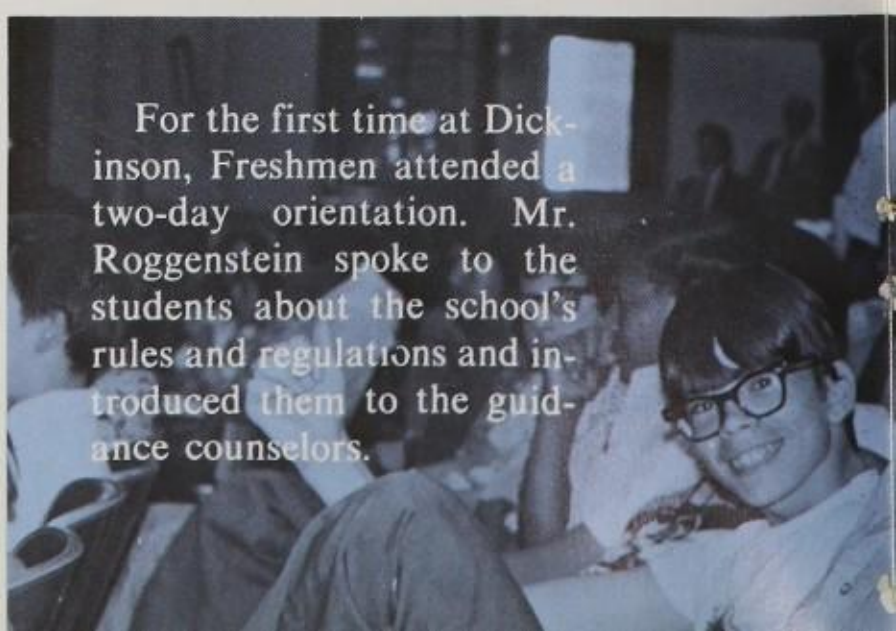
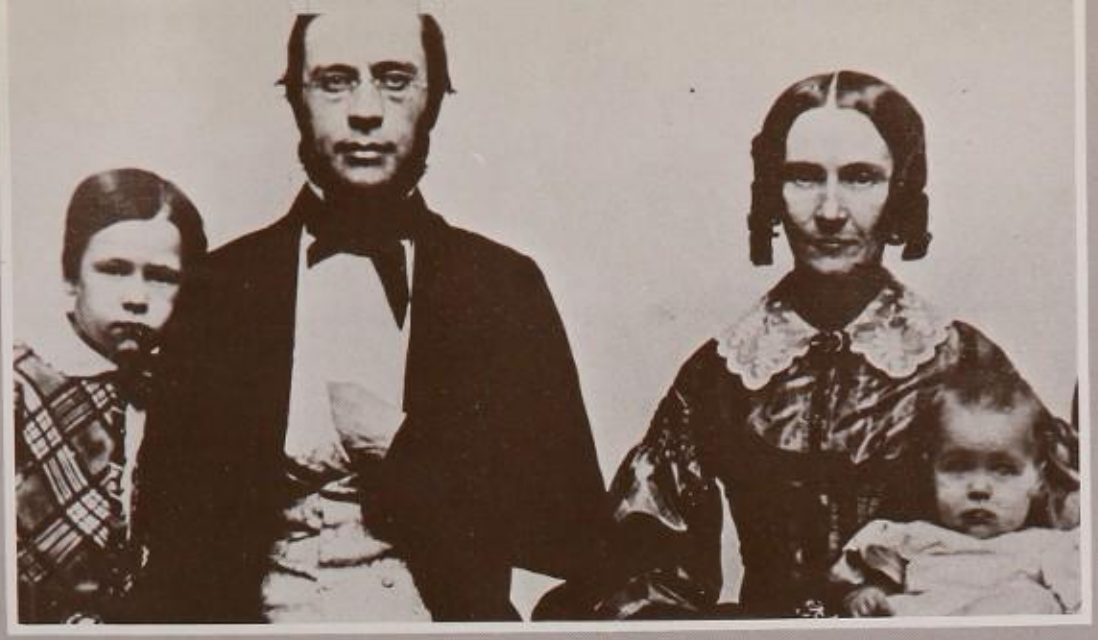
ADMINISTRATION

Juniors and Seniors are taking advantage of the new 8:00 a.m. classes. Those taking these classes are dismissed at 2:15. Seniors may take history or English. A math minicourse is also open to Juniors and Seniors.



For the first time at Dickinson, Freshmen attended a two-day orientation. Mr. Roggenstein spoke to the students about the school's rules and regulations and introduced them to the guidance counselors.



William Leverett Dickinson was born in Vermont on January 19, 1819. He graduated from the University of Vermont in 1838. Later that same year, he moved to Jersey City in order to help a teacher in a small school.

In 1872, after many active years as a Board member, Dickinson was made City Superintendent of Schools. He continued diligently in his educational crusade until his death in 1883.

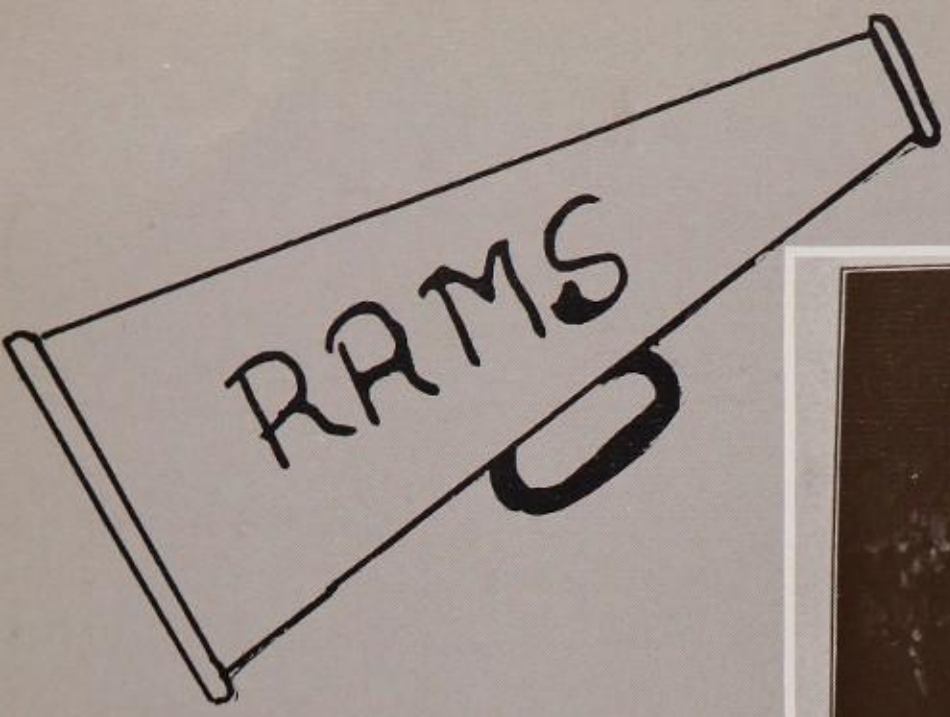
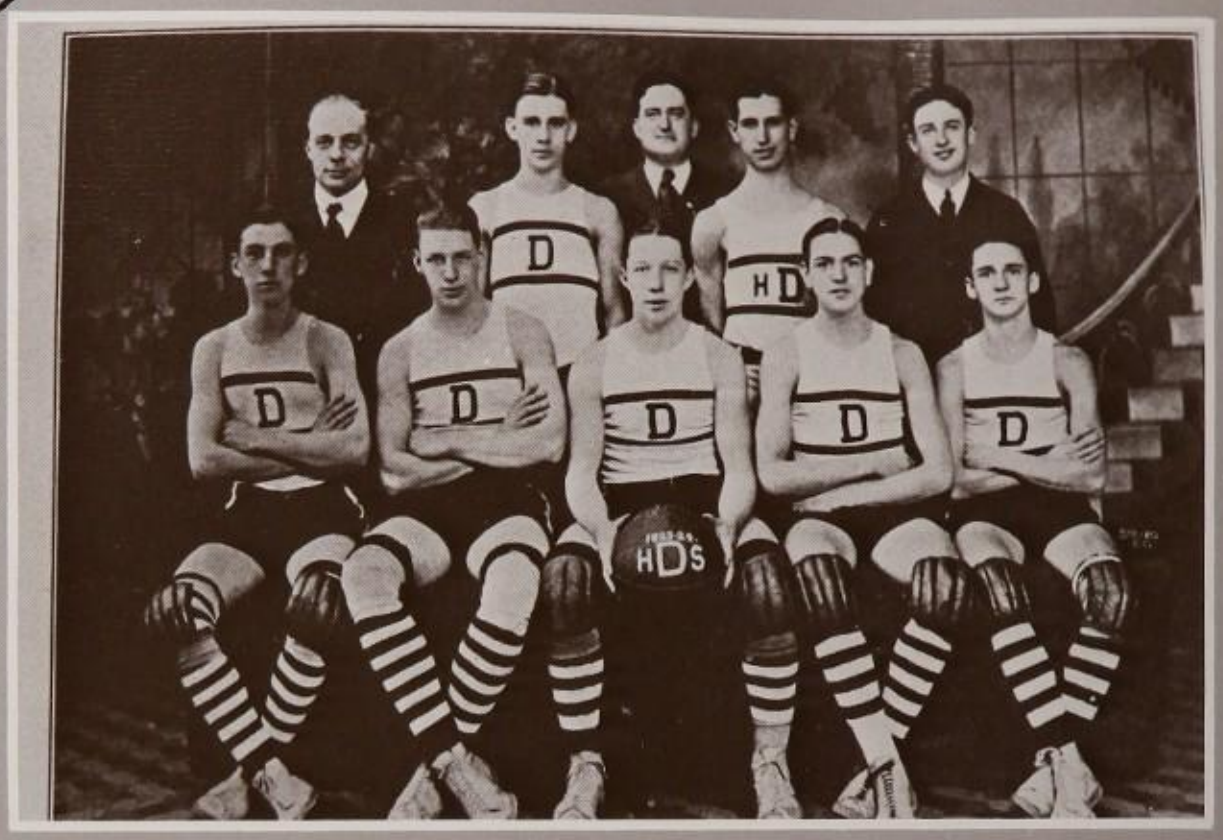
HUDSON COUNTY VOCATIONAL SCHOOL

Thirty-one D.H.S. students are currently enrolled in the Hudson County Area Vocational-Technical School.



Proving to be one of the most spectacular and thrilling games on the athletic program, Football, began about 1906. However, a game with St. Peter's had been played as far back as 1898.

The sports program was orientated for boys. The gymnastics team organized in 1910, the track team was recognized in 1905, the tennis team began in 1930, and the swimming team competed in 1935.



AMAZING

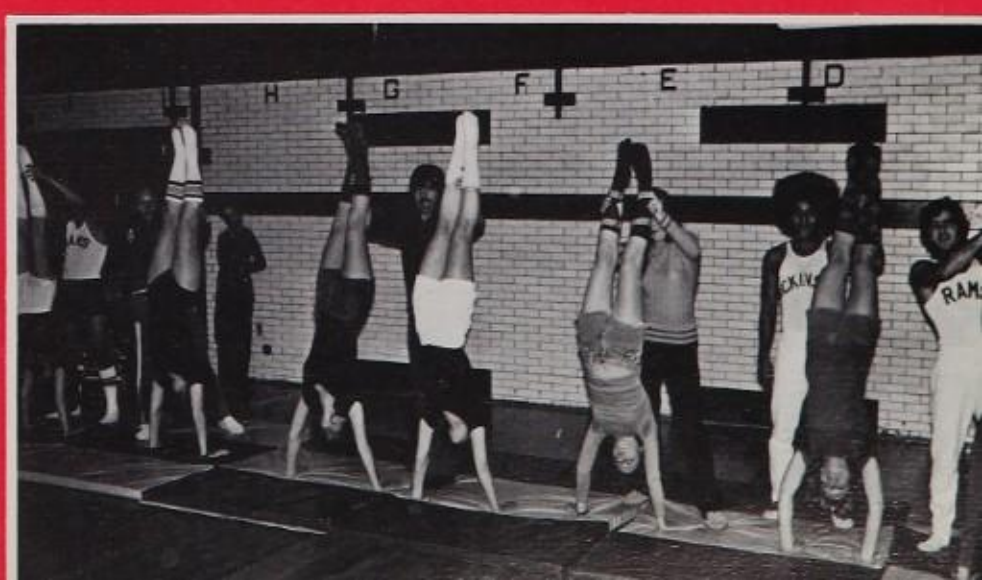
The trend of having the high school's squads march onto the field remains a prominent aspect in today's athletics.

This year, the squads are sporting the new athletic colors of scarlet, gold and white.

Baseball, the third sport to enter the athletic program, began in 1907. Our school was among the first in the state to have a baseball team. To accompany the opening of the season, all D.H.S. squads and the D.H.S. band marched onto the field of Jersey High Stadium. The event was known as *Field Day.*

R A M S

The enactment of the new state legislation concerning the equality in sports has proved pertinent throughout the schools in New Jersey. D.H.S. has not remained segregated as many girls have already experienced the participation in former boys athletics. The sports include gymnastics, bowling, swimming and tennis.



ALIVE

SENIORS

This particular ambulance was donated to the Red Cross. Under the supervision of Student Par and Mrs. Philomena Vicari, students at D.H.S. raised money by collecting newspapers.

Snips

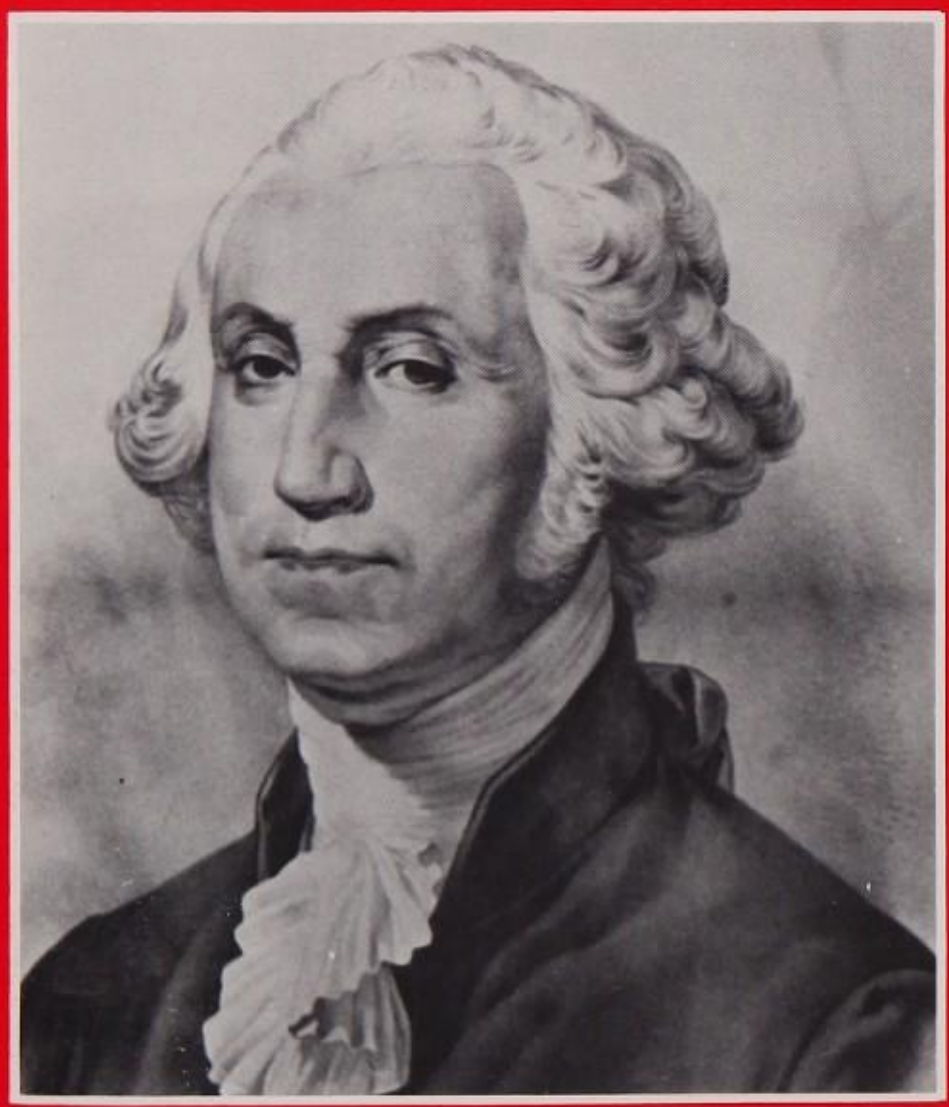
Homeroom began at 9:00 a.m. . . . Students were required to report to the cafeteria during lunch periods . . . There were no library facilities . . . Graduation took place in January and June . . . The scholastic average of the graduating class was 84.2 . . . The percentage of attendance was 94.57.

After reading these few facts, we realize that graduation is the only aspect of school life we have in common with the Seniors of the first graduating class of D.H.S.

AND ACTIVE

Throughout senior year, every senior has participated in supporting the graduating class. D.H.S. rings, *Class of '76* buttons and *Spirit of '76* shirts have been proudly worn. Class spirit has roared throughout the Hilltop.

HAPPY



ONE STEP MORE

A hill is not too hard to climb,
Taken one step at a time.
One step is not to much to take,
One try is not too much to make.
One step, one try, one song, one smile
Will shortly stretch into a mile
And everything worthwhile was done
By small steps taken one by one.
To reach the goal you started for,
Take one step more Take one step more.

DHS FACULTY

FACULTY

Dear Friends:

As your high school career comes to a close, you will embark on a new beginning. It is a time which will bring joy and sadness. The joy you experience will come from the satisfaction of accomplishment and the challenge of the future. The sadness which you feel will come from the realization that the Spirit of the Class of '76 will no longer be unified. Your spirit, your accomplishments, your endeavors and your influence will now be shared by the world community. The Class of '76 will not be forgotten by the Dickinson High Family.

You have the capacity, the fortitude and the knowledge which is necessary to bring about a stable and worthwhile society. I have great faith in you and I'm sure the world will be a better place because we have met.

In closing, I wish you success and happiness for the future.

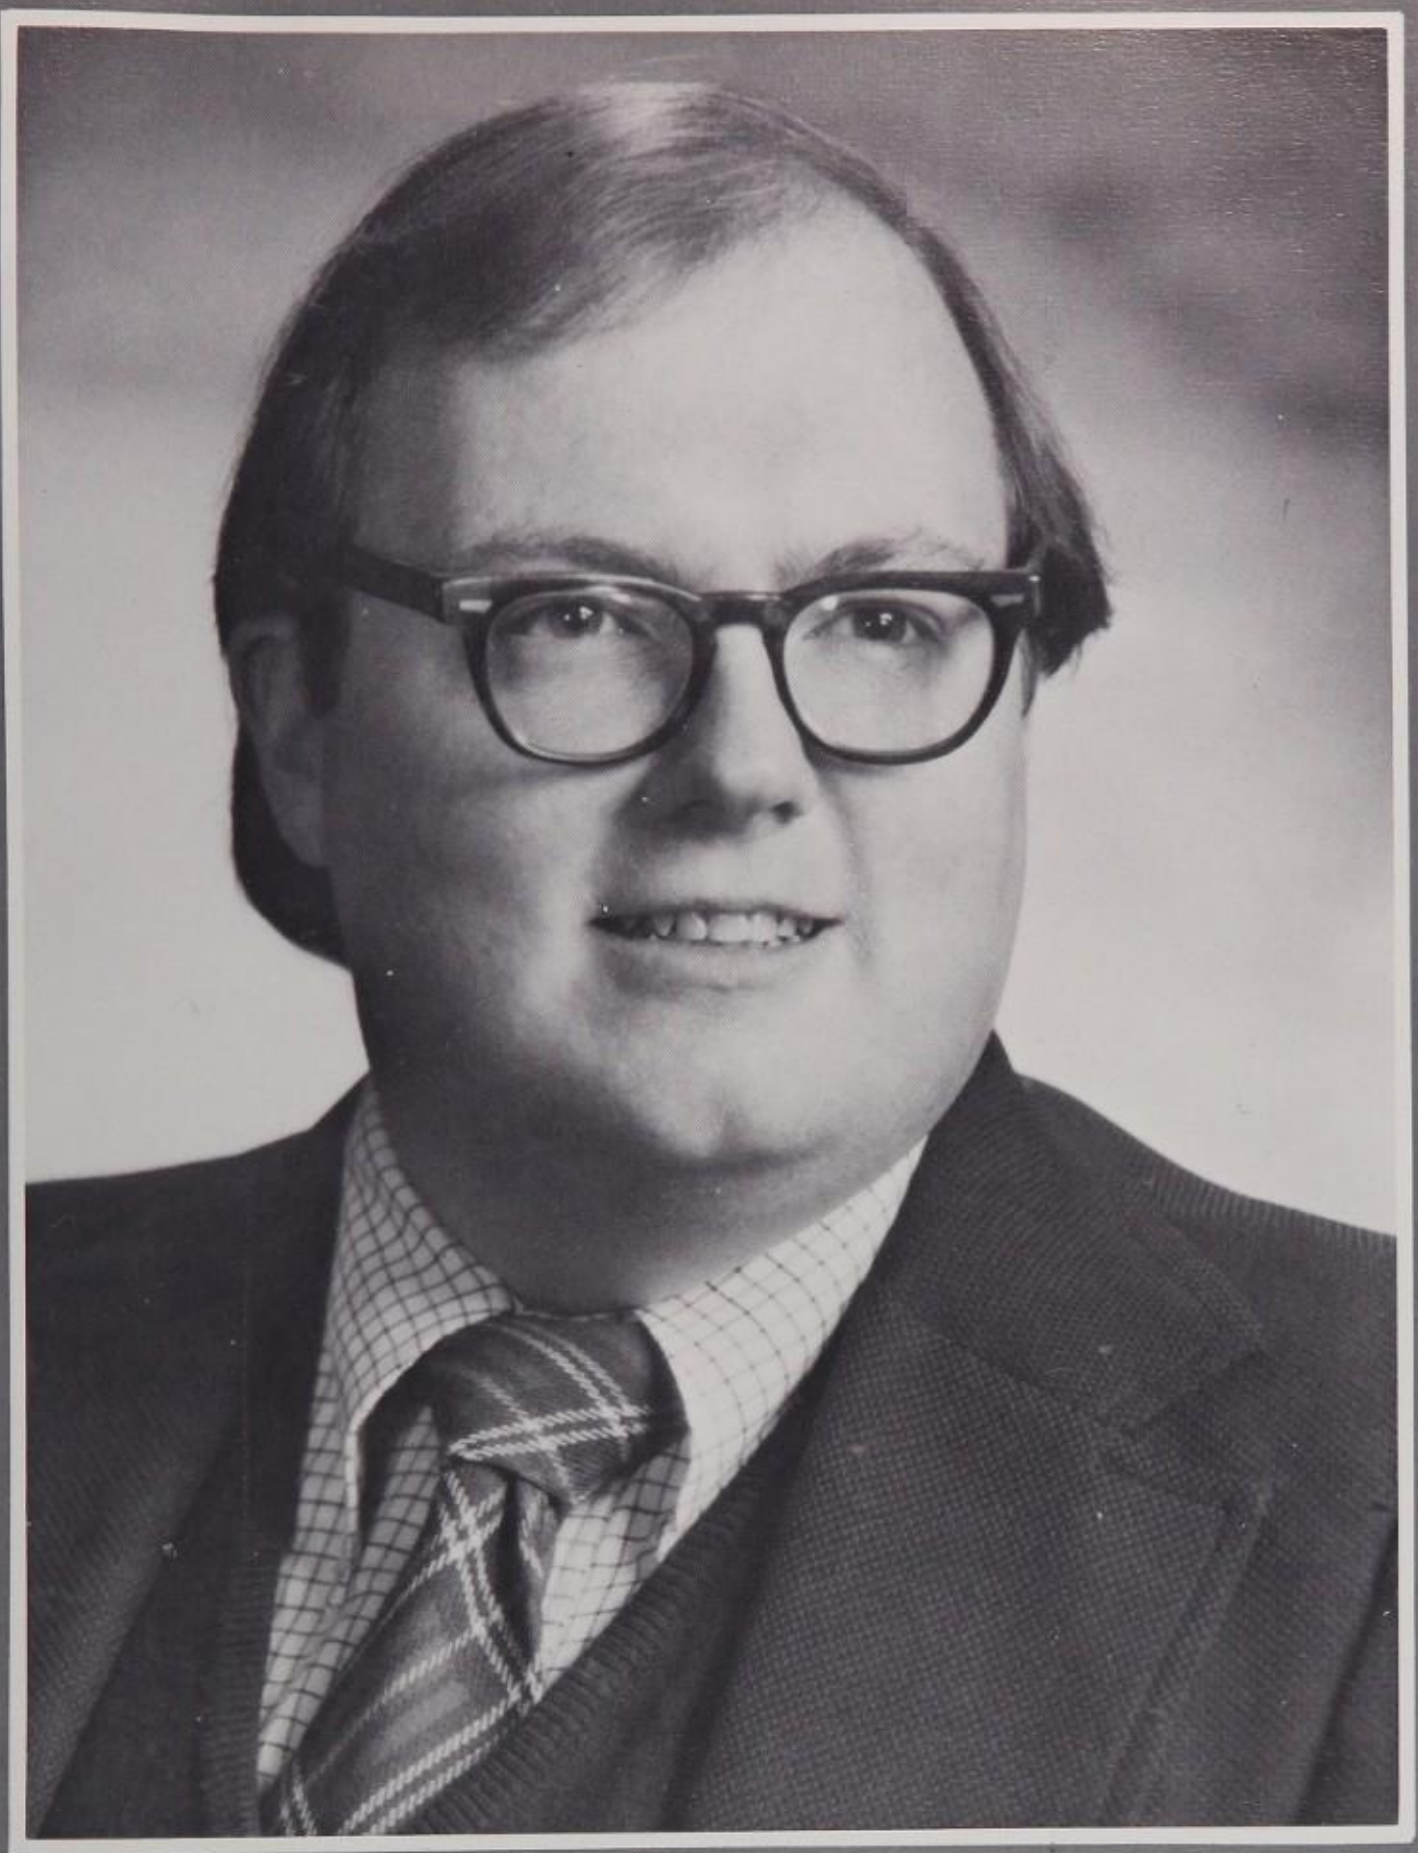
SENIOR ADVISORS

In this world of self-centered people, you rarely acquaint yourself with someone who is truly concerned about others.

The Class of 76 has succeeded in finding and appreciating the work and sincerity of Miss Catherine Wilson.

To you, Miss Wilson, we say thank you, and extend all our love.
Thank you!



When someone surpasses his limits in friendship, guidance and assistance, you realize that he is truly dedicated. He has inspired the "Spirit of '76".

The Class of '76 has the privilege of remembering forever the name of such a man: Mr. Richard Woodall.

To you, Mr. Woodall, we extend our deepest thanks, and all our love.
Thank you!

SNOWMEN

Behind every great accomplishment stands someone who has been an incentive. To us, Lisa Constantinople has been this and more. She has lifted our spirits when agreement between ourselves seemed impossible, and our layouts, terrible. We have grown to learn the meaning of cooperation. Through her dedication, and friendship, she has woven a group of lasting friends. We appreciate her, we thank her, and we truly love her.

Some people think that running a yearbook is easy, but from experience we can say that it is no picnic because readers are hard to please.

If we print jokes, people say we are silly;
If we don't, they say we are too serious.
If we clip things from other books we are too lazy
to think up our own material;
If we don't, we are stuck on our own stuff.
If we don't print contributions we do not appreciate
true genius,
and if we print them the GNOME is filled with junk.
If we spend money, we're extravagant and if we don't,
we're cheap.
If we make a change in the other fellow's copy, we
are too critical;
If we don't, we are asleep.

Now, like as not, some people will say we swiped this from some other yearbook. And we did.

H.R. WINNERS

This year a Senior Homeroom Sign Contest was held to foster class spirit. The prize was to get a photograph of their sign in the Gnome. Two homerooms tied for first place, and they are pictured at right.

GNOME SUB-STAFF

The tedious task of gathering various bits of information about the Seniors was made a great deal easier with the help of the Sub-Staff. They aided us in meeting our deadlines. Pictured at right are *(TOP TO BOTTOM)* Celeste Joyce, Bernadette Cappozzoli, Joanne Zdichocki, Miray Shehata, Jane Rausch, Linda Corbett, Phyllis Cianciotta, Diane Nazario, and Teresa Austin.

This year's season carried with it very few disappointments other than the lack of numbers in the win column. This year's young men have finally put together a sound football program at Dickinson High School. All levels (Varsity, Junior Varsity, and Frosh) have performed solidly with the Freshmen winning their second consecutive County Championship. Our loses this season were tightly contested, but we feel our youth and lack of seasoning worked against us in these close games. Five of the loses coming at the hands of Hudson Catholic by 4 points; Emerson by 6 points; Ferris by 6 points; and a 6-6 tie with Union Hill.

Next year we will no longer have the handicap of unseasoned players. We will be coming into the 1976 season with experienced veterans at almost every position. Yes, in 1975 we begrudgingly lost a few games, but it looks like we'll be dishing out the lumps and bruises in 1976. Credit for our progress must be given to my assistant coaches, Mr. Joe Auriemma, Mr. Tom Biondo, Mr. John Cossolini, Mr. Roy Miller, Mr. Frank Spillano. and our hard-working Athletic Director, Mr. Genero Maffia.

A great part of the 1975 Football Season was the student body participation. We, the players and coaches of the Dickinson High School Ram Football Team, wish to thank the Class of 1976 and the entire student population at Dickinson High School for your loyal support throughout the school year. You have truly made us proud to represent Dickinson High School on the Gridiron.

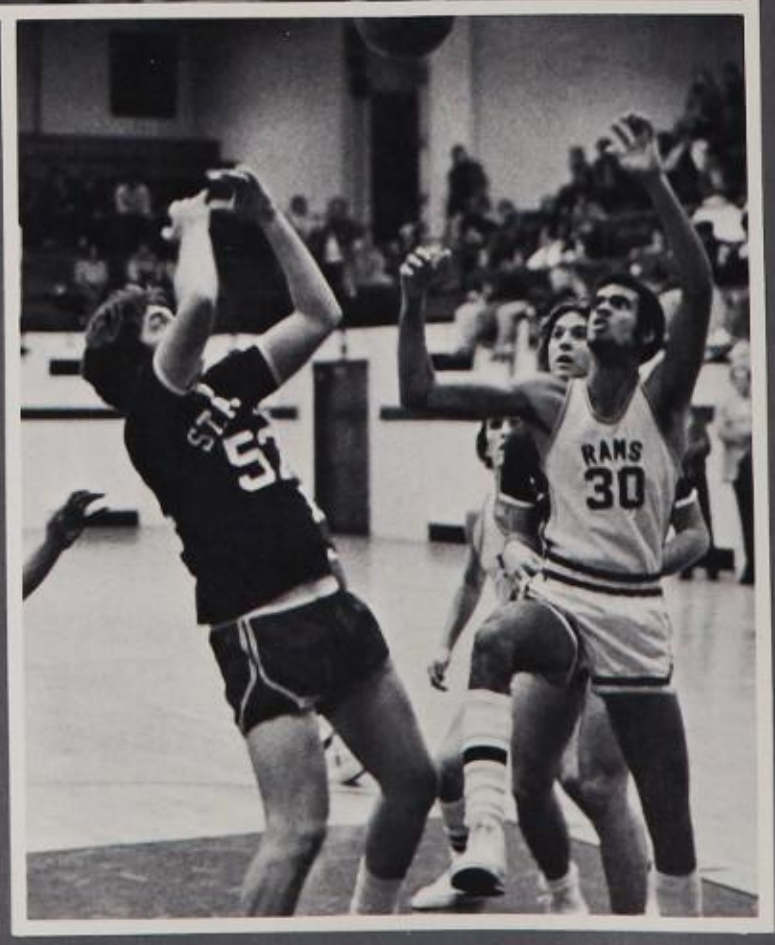
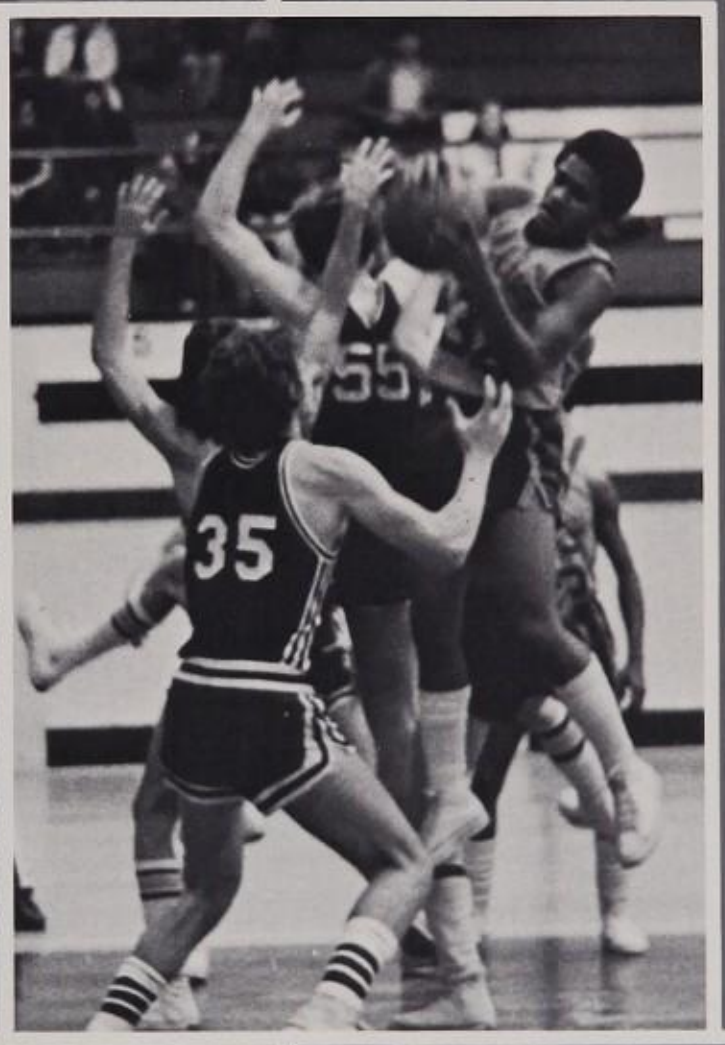
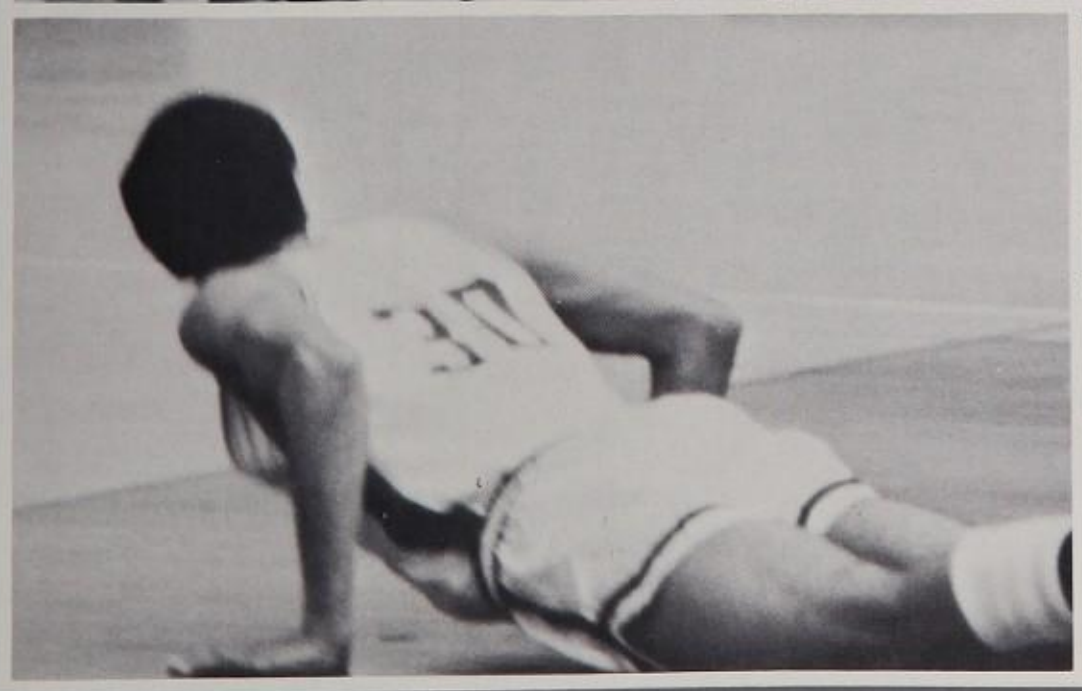
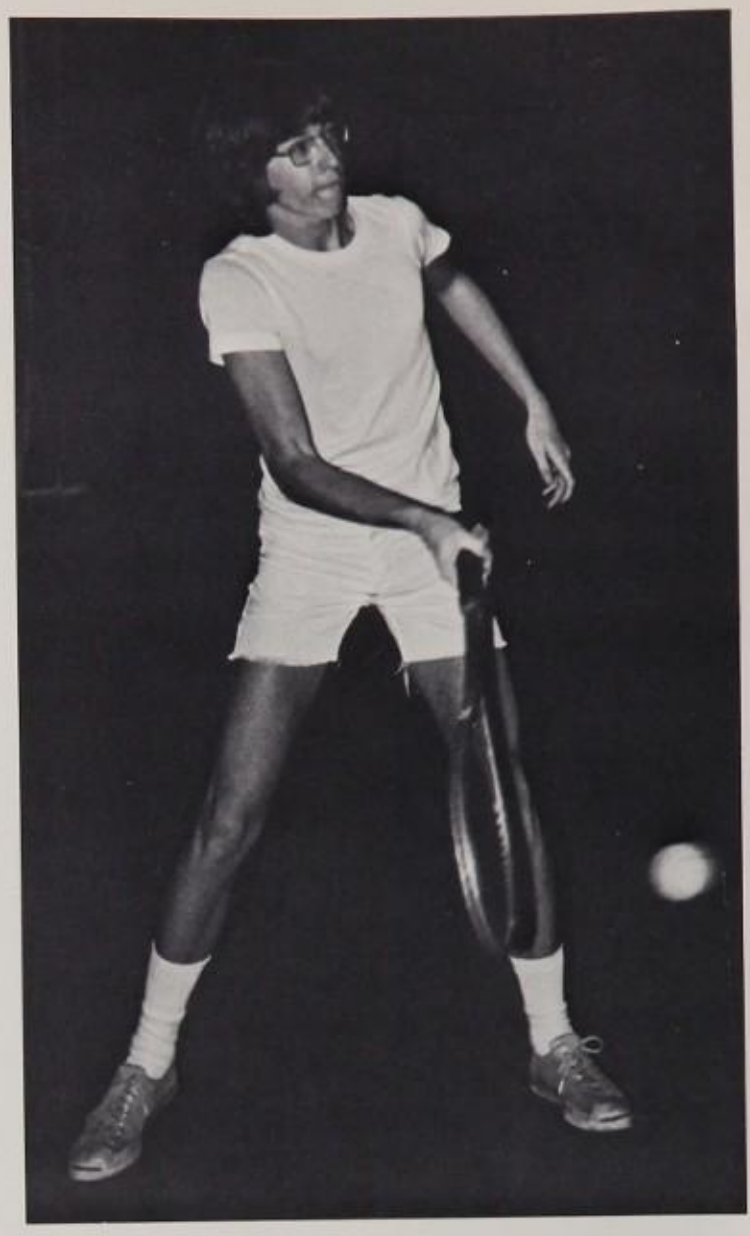
In the process of rebuilding, this year's D.H.S. Basketball Team has carried out the meaning of team spirit, effort and determination. All boys saw action in the games allowing for valuable experience to be gained. Under the new head coach, the remaining players hold a promising future.







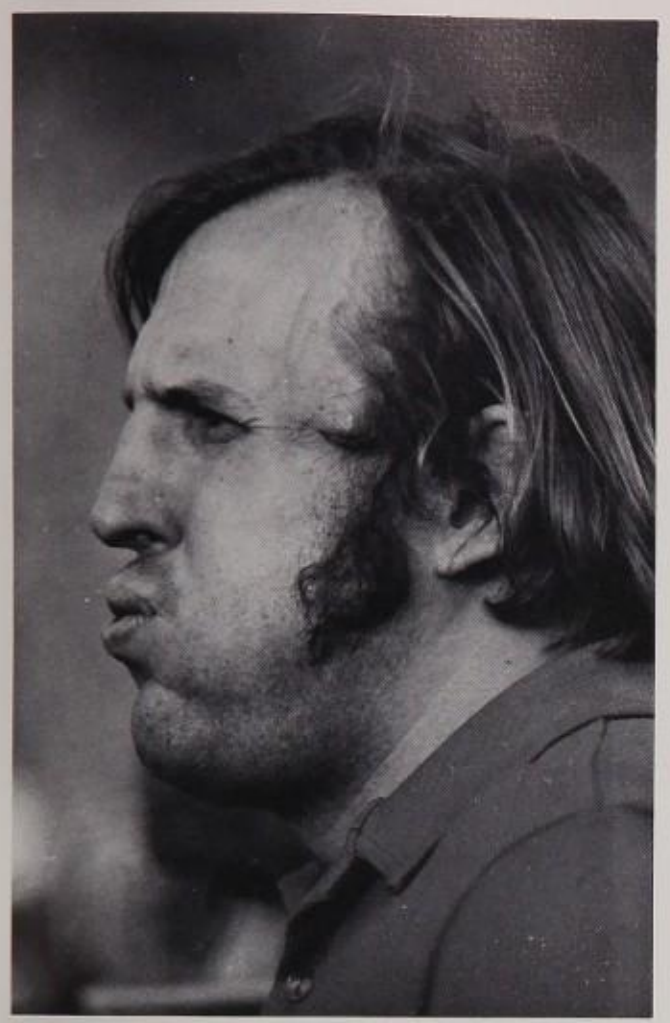
Oh, no you don't. I'll hold the net.



Boy, I hope the ball goes over the net.

My best side!!

You keep him busy, while I grab his wallet.



I wish someone would teach me how to whistle.

I've got that lifebuoy lift.

I don't wanna play anymore. You boys play rough.

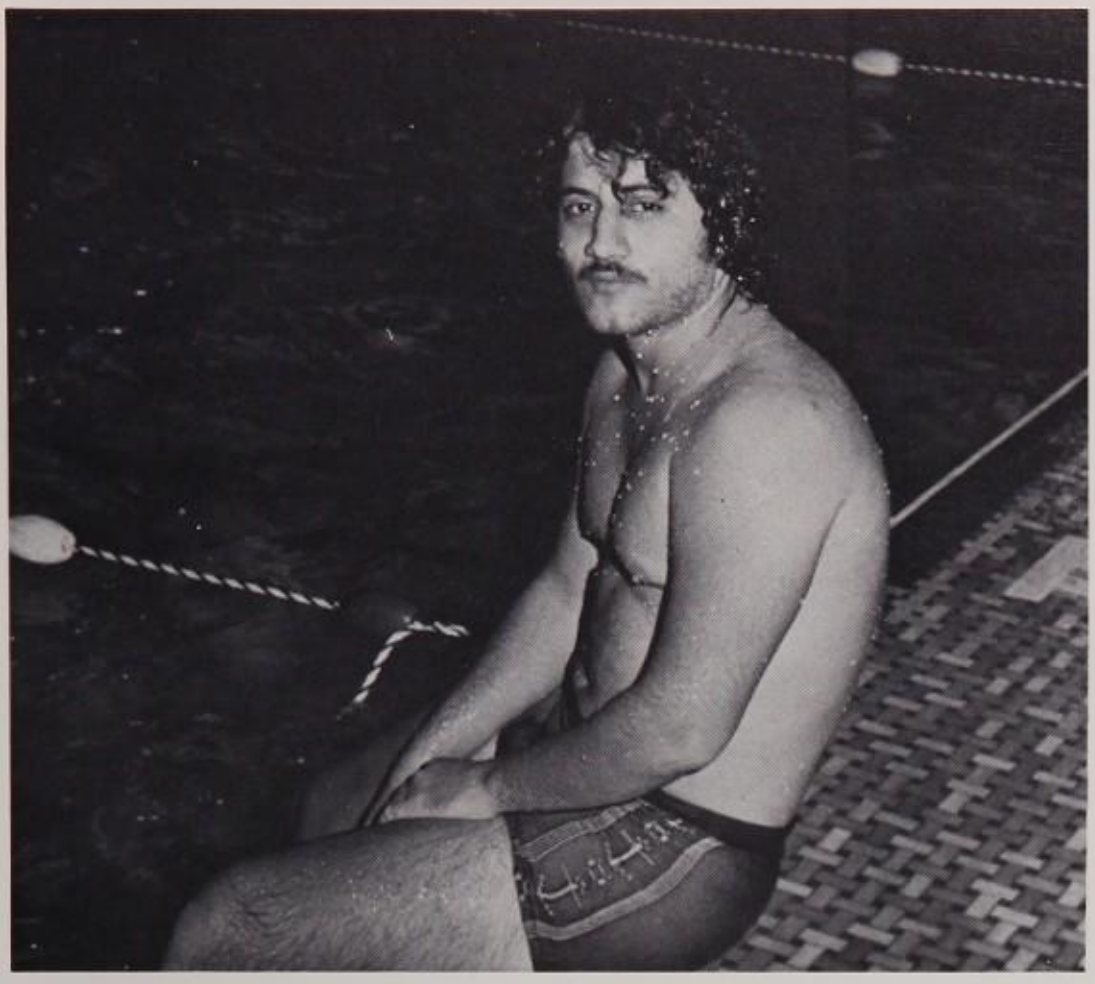
TEAM



Over the past six years, the overall record of the Varsity Swim Team has been 89 wins and 19 losses. The past 5 years have been championship seasons.

The County Championships, won in 1975, was the first county win in 100 years. This year the team finished first in the Eastern Relay Invitational.

Students have been undefeated and new school records have been established. Thanks to Coach Bodnar for his dedication and his success, which often goes unnoticed.

ROSEMARY WEAVER

This year, Dickinson High School has an additional sport on its roster. The Girl's Track Team, building a reputation, has practiced consistently and has competed in many difficult meets.

The girls have entered semi-finals and have placed third, fourth, and fifth in several meets.

FIRST ROW: P. Maresca, L. Gonzalez, R. Acobe, E. Berrios, D. Dufresne, B. Peek, J. Hastie, J. Rieling *SECOND ROW:* D. Reeves, R. Prinke, J. Carlson, L. Batalla, L. Galarza, M. Spangenburg, E. Williams *THIRD ROW:* R. Brown, D. Colantonio, G. Marrero, O. Melendez, P. Brady, J. Grahm, J. Price, Mr. Philips

The Dickinson High School Track Team is one of the hardest working teams in the school. Edwin Berrios, this year's star, finished third in the city cross-county meet, third in the city 880 Yard Run, and is considered one of the city's best runners at any distance.

When Mr. Bill Jordon and Mr. Ernie Baker took over the team in September, the team consisted of only three members. Since that time, they have built up the team to 22 member, 19 of which are freshmen and sophomores. The coaches feel that these young members will build a strong team in the future.

The Dickinson Tennis Team, headed by Coach Ken Gleason, has shown fine accomplishments over the past four years. Frank Wasniewski, the first singles man, produced an outstanding 15-0 record during the past season. This year, the team is surging forward to secure the title of Hudson County Champs.

The last few years have been an invaluable experience for this year's graduates. They've learned that tennis is one activity that requires training and hard work in order to be successful. In our society of tennis popularity, it seems that competition becomes harder every year. But for most of us, we will still be seen spending hours of our leisure moments playing sets of tennis in the blazing hot sun.

This year, the Dickinson High School paper, the Dickinsonian, is being supervised by Miss Donna Barabas. Since a newspaper has always been a source of communication, our Dickinsonian features articles and photographs on school events, sports, outstanding students, and upperclass activities. Added attractions include puzzles, and the popular "Chatter" section, which serves as Dickinson's gossip column.

Expectations of continued success are had by the new advisor and staff. With their organization and dedication, the Dickinsonian will continue to be circulated about Dickinson High School.

The Key and Keyette Club is the service organization of Dickinson High School and also of the community. The students are highly motivated to serve the school and community by collecting funds for worthwhile charities, without expecing anything in return. All work and time devoted by the students is voluntary. Any student interested in sharing themselves for a worthwhile task is asked to join.

The club has raised money for Multiple Sclerosis, the handicapped and the mentally retarded. It has collected food for the poor during Thanksgiving and has also collected clothes for the needy of Jersey City. The club is under the supervision of Mr. Daniel Guerra.

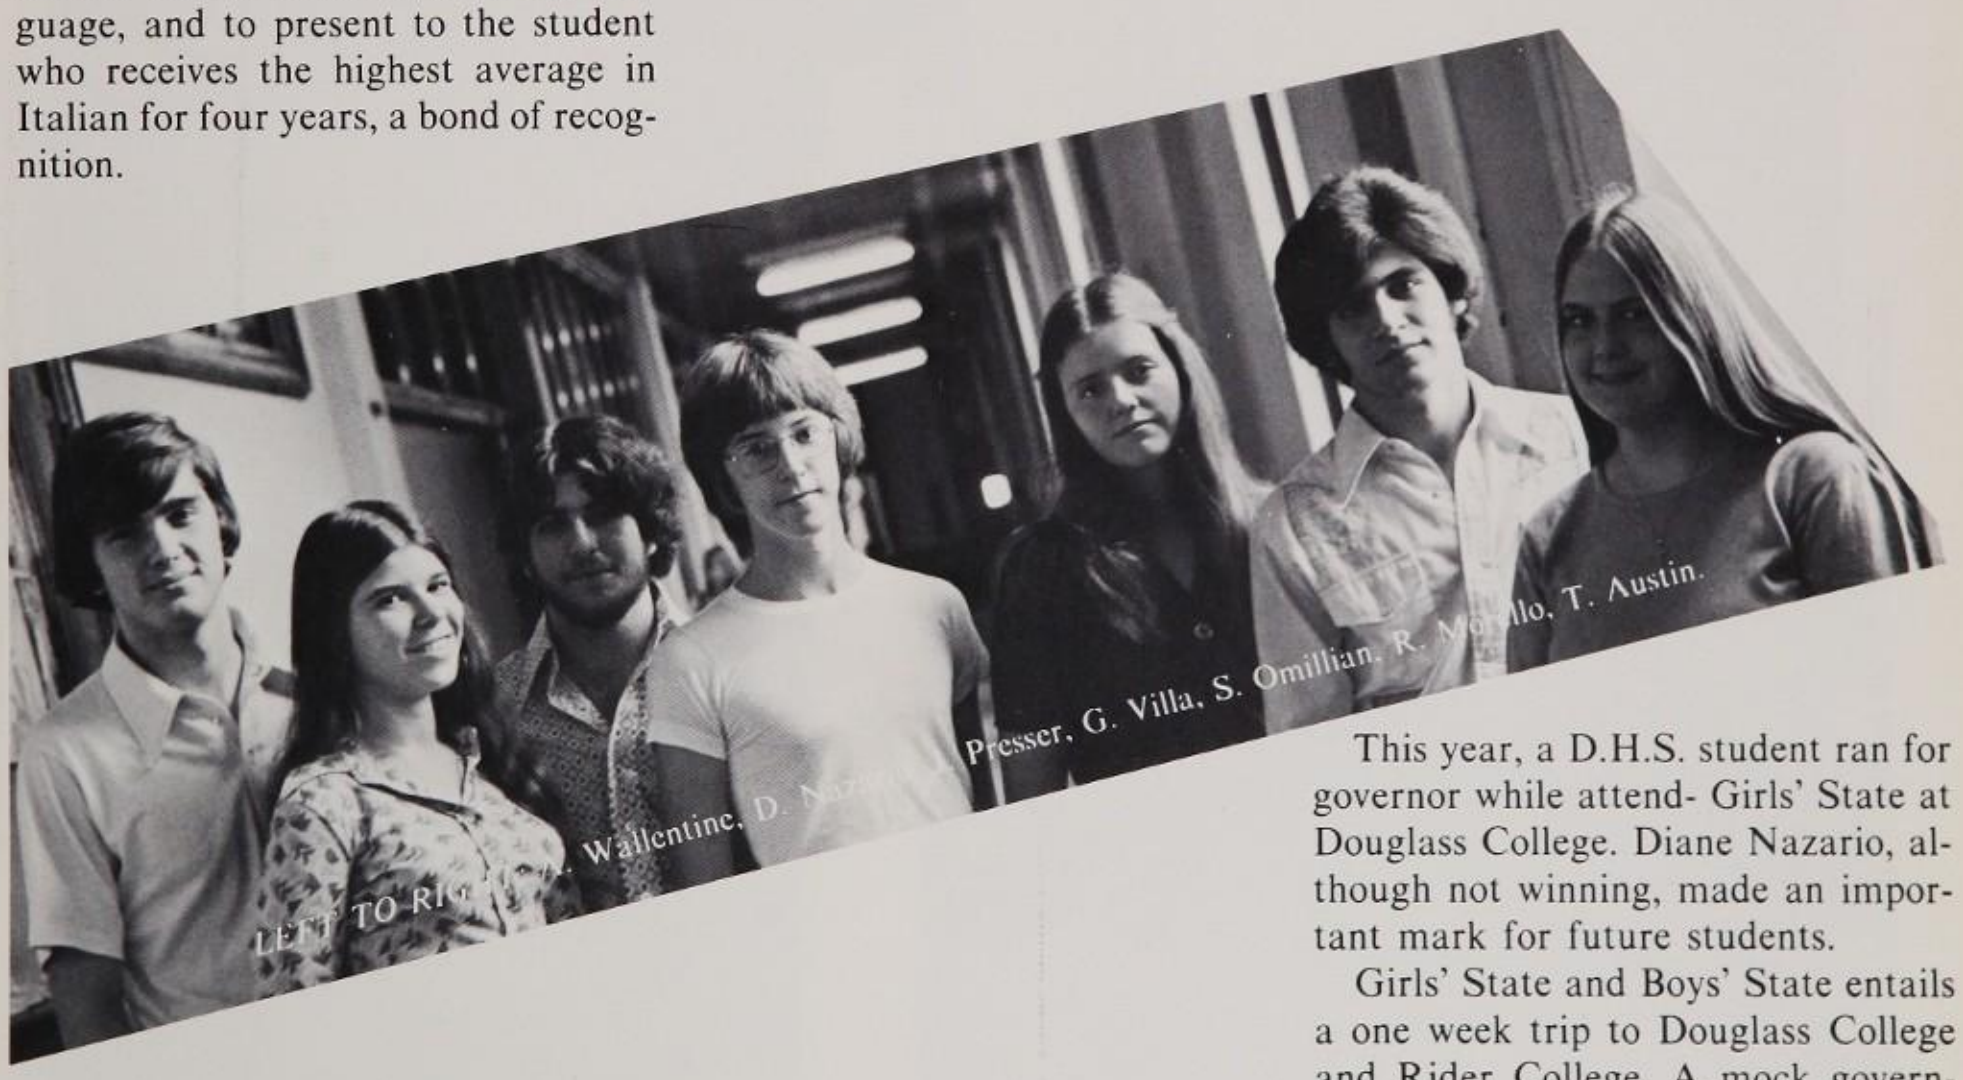
This year, the Italian Club, under Mrs. Filomena Vicari, presented a one-act play, "Acqua E. Carbone". The play was performed by the members and given at a special meeting.

The Italian Club continues to further the interest to the Italian language, and to present to the student who receives the highest average in Italian for four years, a bond of recognition.



This year, a D.H.S. student ran for governor while attend- Girls' State at Douglass College. Diane Nazario, although not winning, made an important mark for future students.

Girls' State and Boys' State entails a one week trip to Douglass College and Rider College. A mock government is established along with having lecturers, seminars, and recreation.

The trip is sponsored by various organizations and Mr. Daniel Guerra is advisor.

D.H.S. STUDENT RUNS FOR GOVERNOR

OOH! OOH! MR. KOTTER!!!

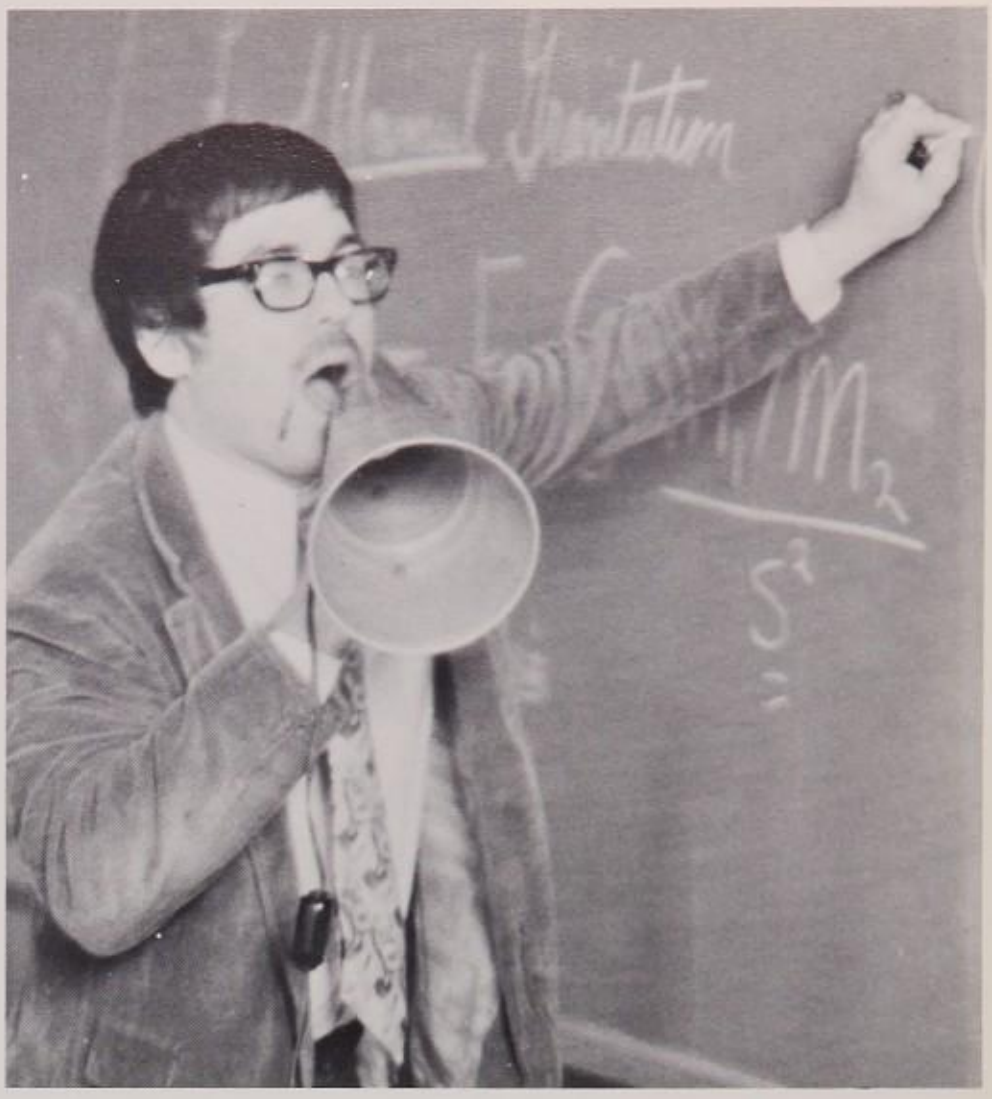
AAAY!

OH! DEAR BOY!

TAKE ME, I'M YOURS.

AND JANE TOLD ME THAT . . . . .

I LOVE MY DRAGON



NOW HEAR THIS!

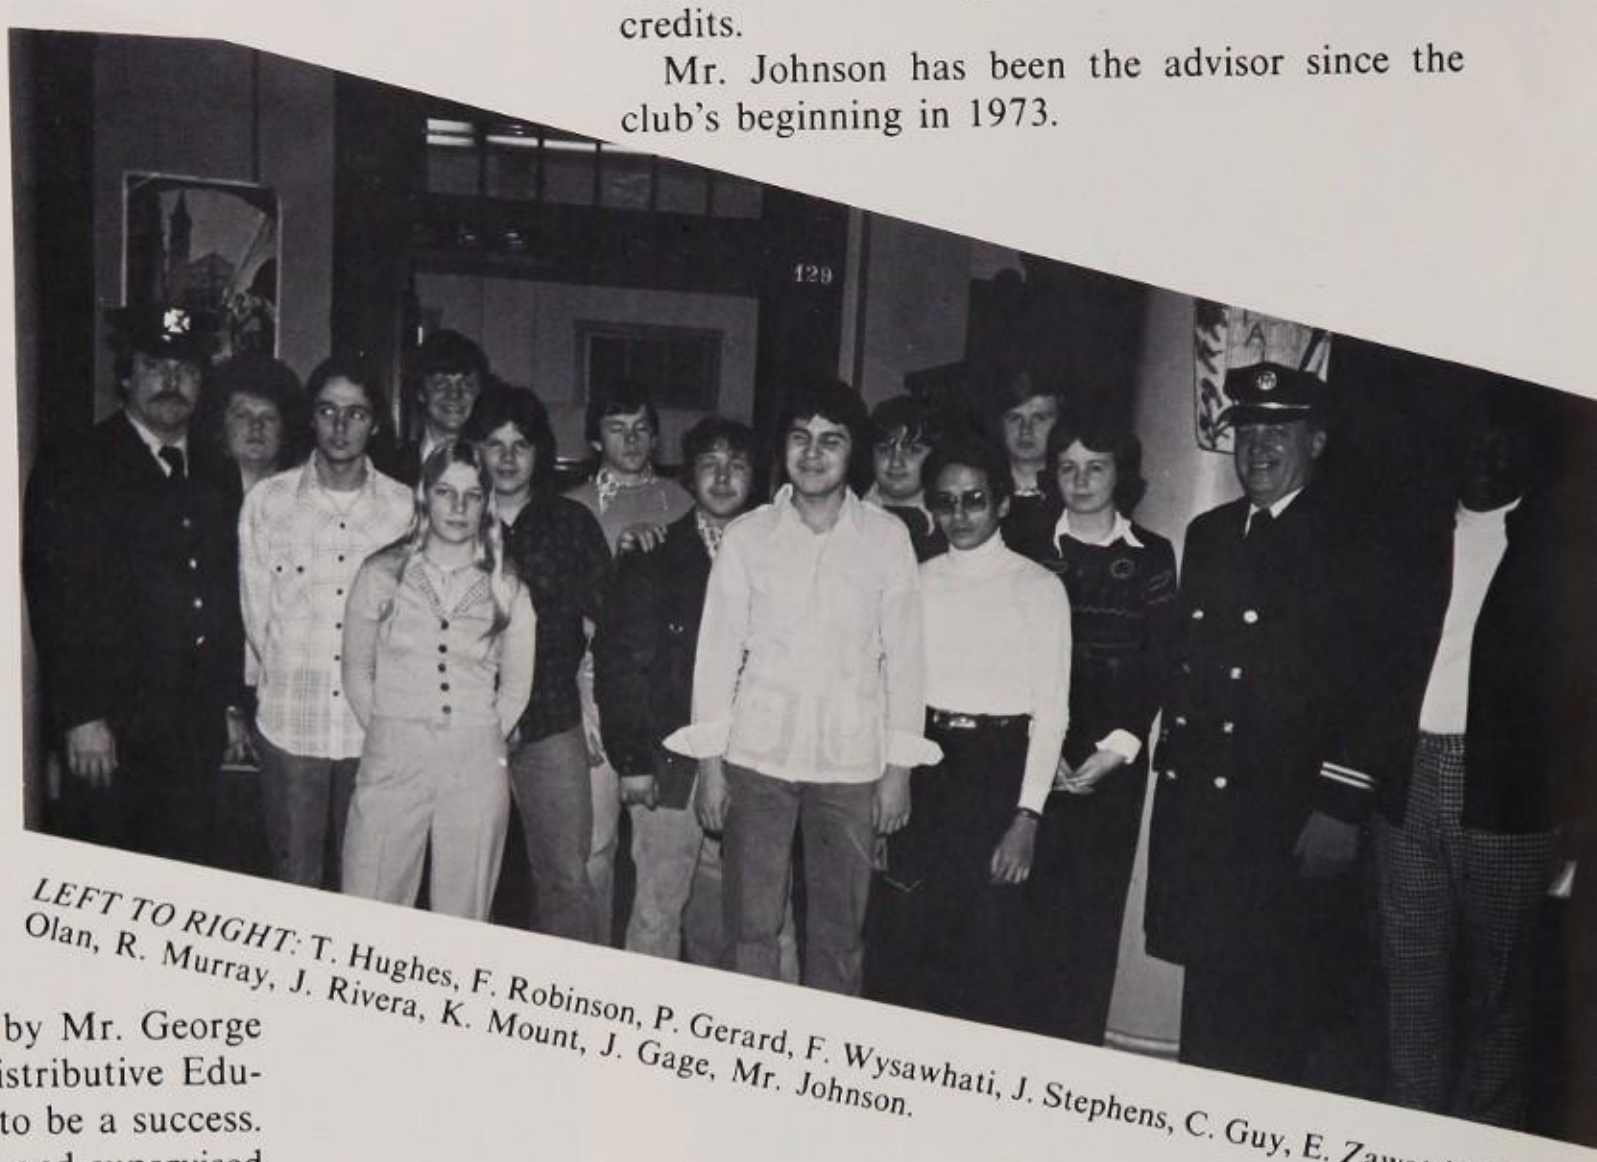
MUSTA BEEN A ROUGH NIGHT.

NO, IT'S NOT WHAT YOU THINK.

I DID IT MY WAY . . . .

Another fairly new program at D.H.S. is the Police and Fire Science Program. Students participating attend morning classes at the high school and afternoon classes at the Police or Fire Academies during the first half. The remaining half is spent at Jersey City State College where they receive six college credits and ten high school credits.

Mr. Johnson has been the advisor since the club's beginning in 1973.



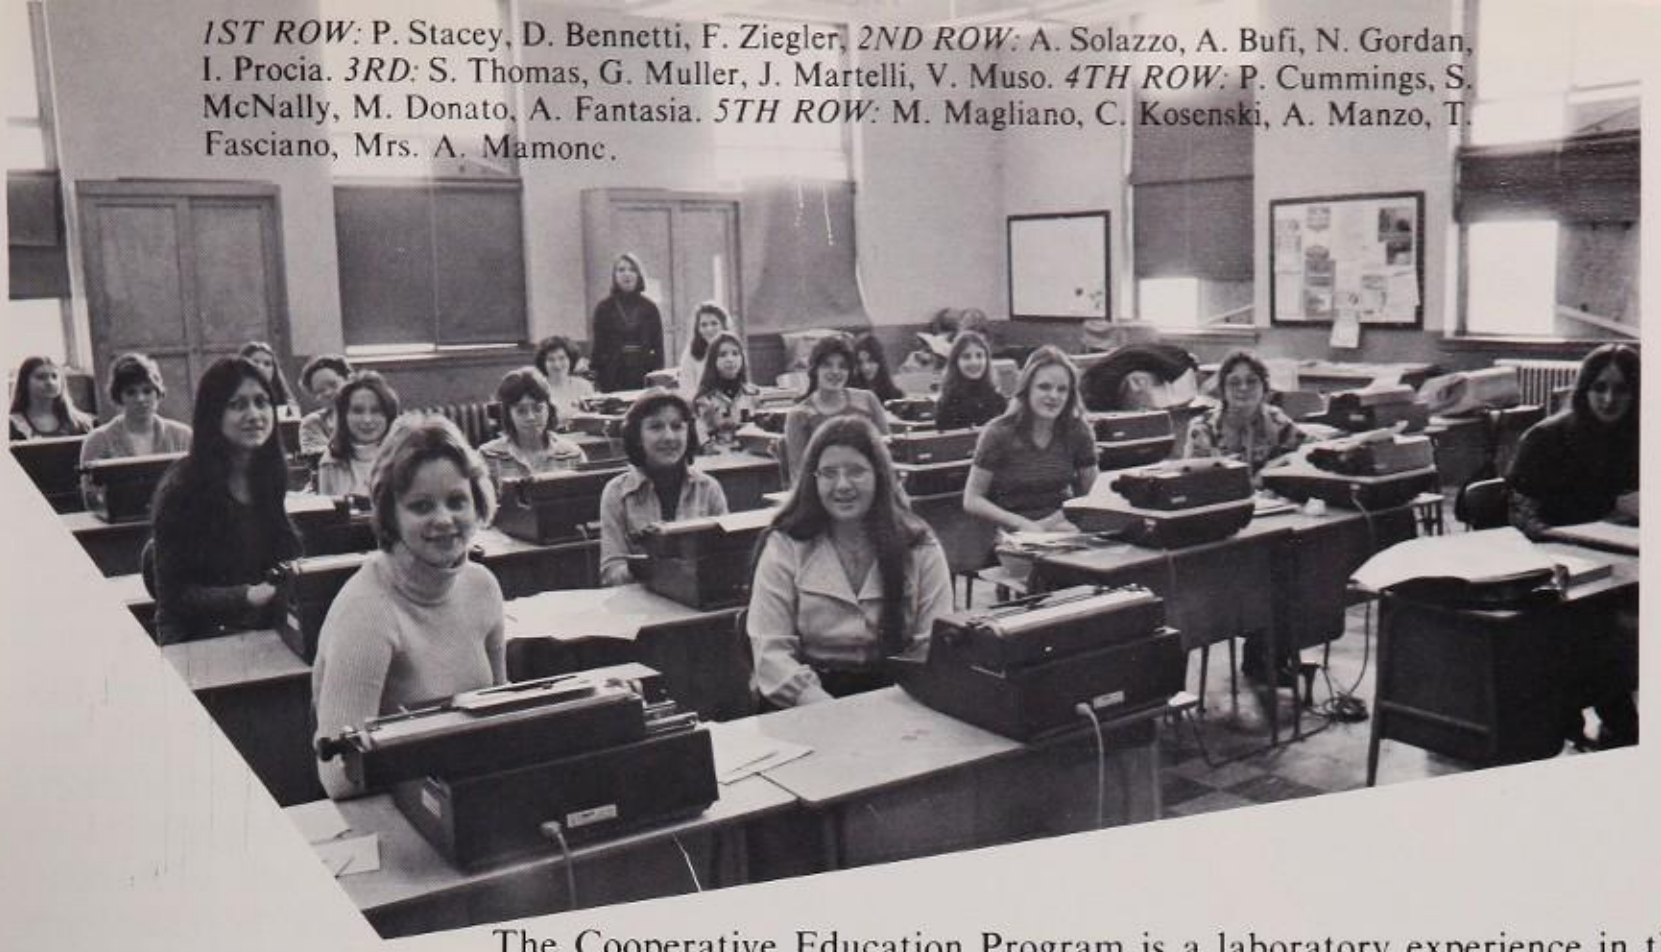
LEFT TO RIGHT: T. Hughes, F. Robinson, P. Gerard, F. Wysawhati, J. Stephens, C. Guy, E. Zawatski, R. Olan, R. Murray, J. Rivera, K. Mount, J. Gage, Mr. Johnson.

DICKINSON STUDENTS

Having started in 1971 by Mr. George Sileno, the Cooperative Distributive Education Program continues to be a success. This program is developed and supervised by school teachers and employers in the community. Students are provided with an opportunity to combine in-school instruction and on-the-job training in retail, wholesale, and other distributive training.

This two-year program allows students to enter the course in the junior year. Experience in work-study occurs in the senior year.

STANDING: C. Carbone, R. Lozada, D. Jaeger, M. Harne, D. Schwarz, L. Rush, Mr. Sileno. *SITTING:* R. Venutola, L. Bonnilla, D. Guy, D. Cappa, F. Campagna. *2ND ROW:* M. Yankowski, K. Wall, P. Urbanski, C. Scorio. *3RD ROW:* J. Cummings, K. Francis, A. Nykolyn, C. Albanese, T. Infurna.



1ST ROW: P. Stacey, D. Bennetti, F. Ziegler, *2ND ROW:* A. Solazzo, A. Bufi, N. Gordan, I. Procia. *3RD:* S. Thomas, G. Muller, J. Martelli, V. Muso. *4TH ROW:* P. Cummings, S. McNally, M. Donato, A. Fantasia. *5TH ROW:* M. Magliano, C. Kosenski, A. Manzo, T. Fasciano, Mrs. A. Mamone.

The Cooperative Education Program is a laboratory experience in the form of a real secretarial job in the local community. Students who qualify utilize periods one through four at school and spend the remainder of the day "on the job" where they earn $2.25 to $3.50 per hour while earning school credit.

The highlight of the school year is the annual "Employer Appreciation Luncheon" held at the Manor in West Orange to which each student invites her employer as her guest.

Mrs. Adele Mamone is the advisor.

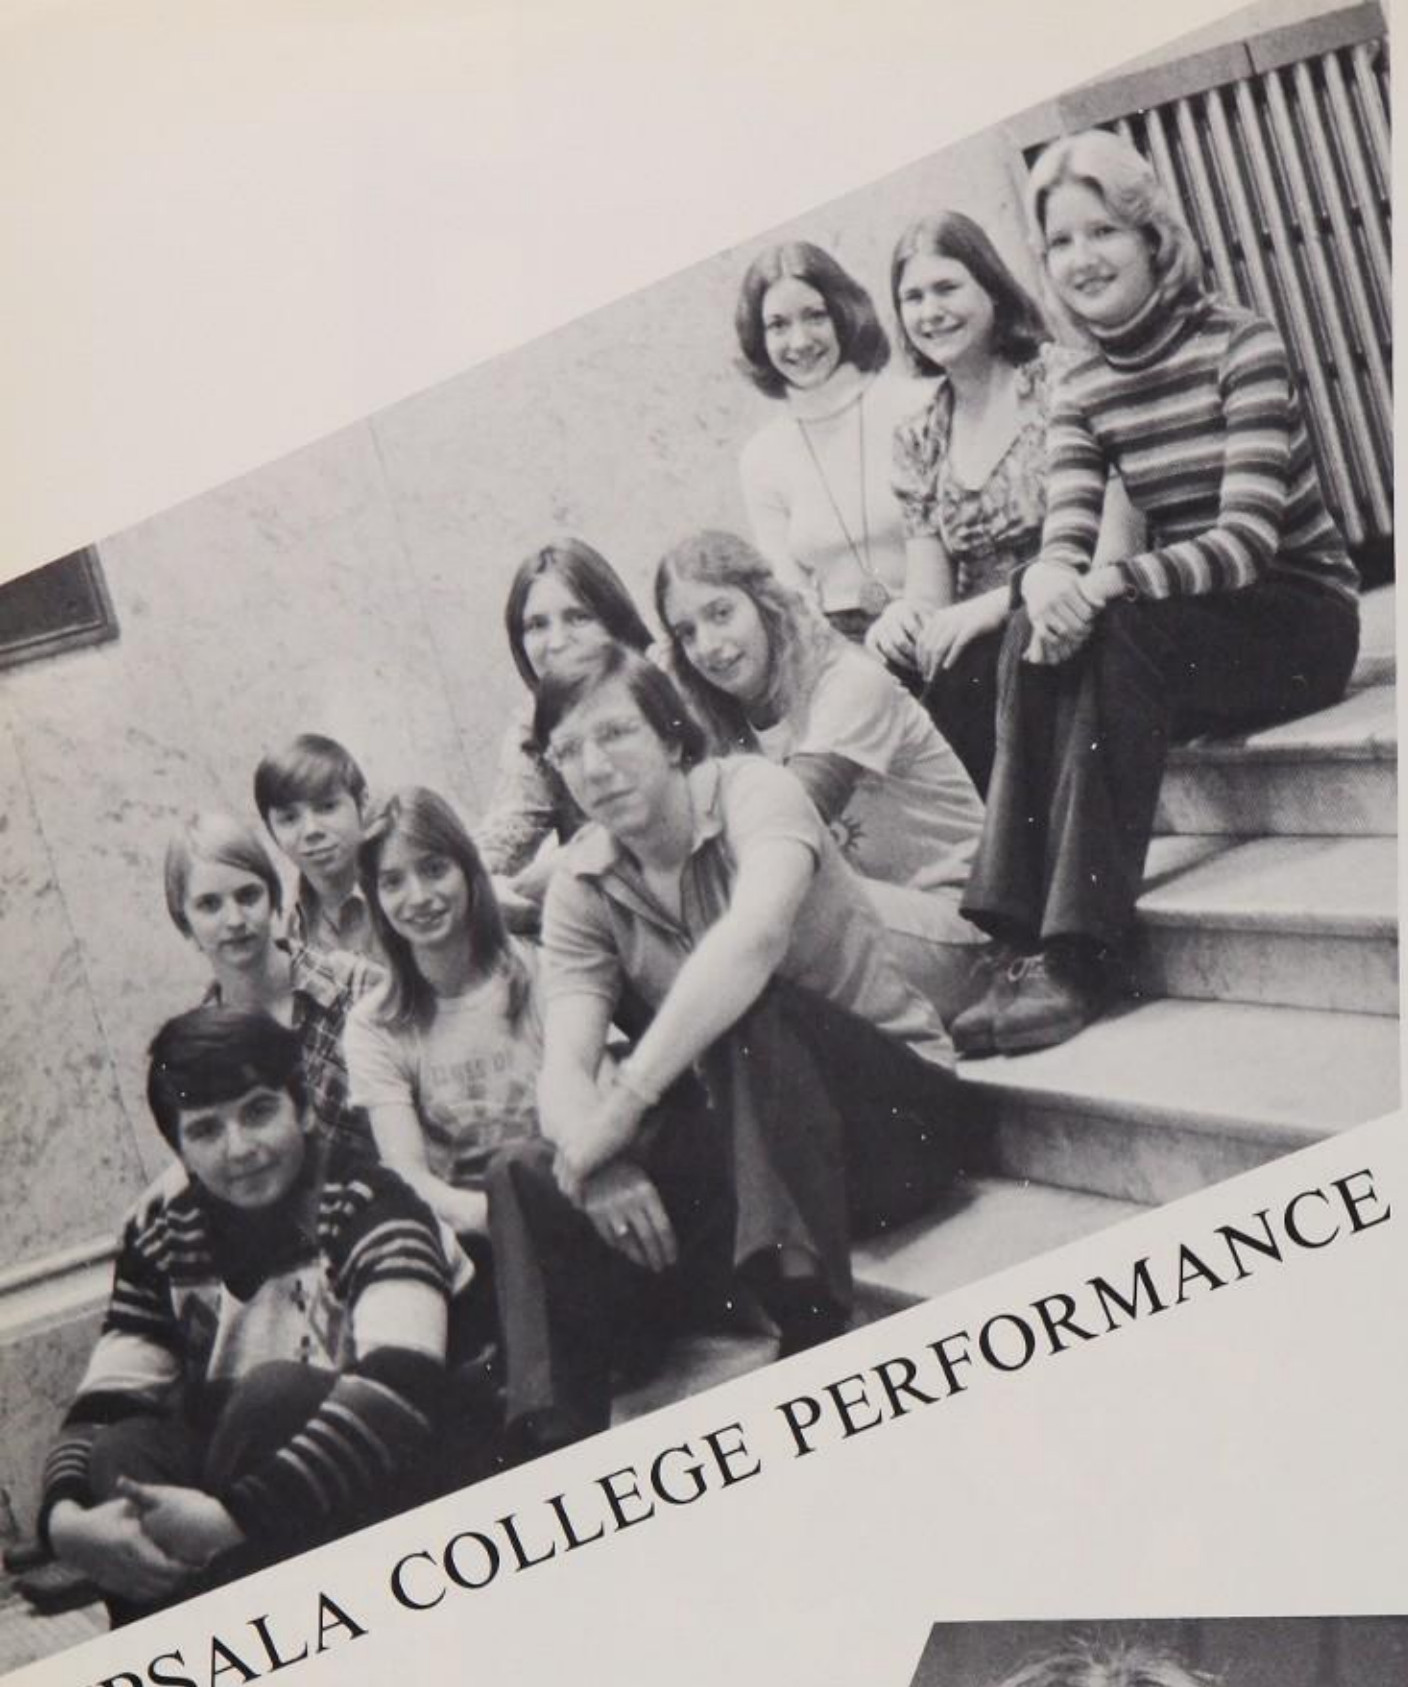
LEFT TO RIGHT: S. Smith, L. Woroschak, E. Sydler, M. Palladino, V. Long, K. McDonald, D. Kwashak, N. Holden, R. Trainer, P. Kearns, *SITTING:* Miss P. Barison.

WORKING AND LEARNING

The cooperative Home Economics Program was first organized in 1968 by Miss Phyllis Barison. It was one of the first cooperative education programs in the state.

The girls attend school in the morning, and work at their respective jobs in the afternoon. Work stations include Stewarts, Shop-Rite Supermarkets, The Lutheran Home, and C.H. Martin.

The purpose of the program is to allow the student to make a smoother transition from school to work.



UPSALA COLLEGE PERFORMANCE

B. Kohler, D. Schmidt, B. Marshall, M. Dynes, E. Jost, D. Zindle, M. Dynes, J. Horlacher, V. Horlacher, V. Anthony.

The members of the Theatre Arts Club performed "The Glass Menagerie" at Upsala College this past year.

Organized in 1972 by Mr. Ernie Baker and Mr. Bill Jordan, the club welcomes underclassmen and continues to attend colleges and universities, and to compete in theatre arts competition.

In the past, they have produced several one-act plays, variety shows, and musical comedies.

The students and advisors hope to have a complete theatre arts program included in the curriculum, whereas, students can earn credit for their participation.

J. Horlacher, E. Jost.

LAW CLUB FEATURES TUTORING

The Law Club was the first organization to feature tutoring as an extra-curricular activity for students who needed help in their studies.

Being over 50 years old, the Law Club was originally called Delta Lambda. As a practice, club members visit courts and state offices where laws are formulated and interpreted. This gives students a much better idea of how the law works and answers many questions that they may have.

Under the supervision of Mr. Sidney Silverberg, the dedication of President Marianna Loughner, Vice-President Christine Kosenski, and all members, the Law Club remains an important and active club in D.H.S.

Mr. Sidney Silverberg, D. Loughner, C. Karras, M. Hutchinaan, M. Rodriquez, S. Karras, M. Dynes, S. Castrovinci, M. Loughner, C. Kosenski, J. Simienich, R. Brunetti, B. Kosenski, C. Reo, C. Pusover, J. Corrente, M. Falcone.

PRINT!

In 1970, Mr. Gennaro Mafia began as advisor for the Printing Press Club. During the following years, the boys have printed tickets, booklets, and posters. They have aided the Jr. and Sr. classes, Student Par., Gnome Staff and other people needing them. Their work is efficient, and the boys gain experience in the field.

A STUDENTS' VOICE IS HEARD

Student Participation organized in 1930, allows every student a voice in the school government.

Through this organization school problems can be solved with the assistance of the principal.

Important functions include presenting toys to children at Christmas and Easter, donating collected funds from students for the Heart Fund, Multiple sclerosis, and Cerebral Palsy.

The officers, representatives, and students are under the supervision of Mr. Nano Panepinto.

STUDENTS BEHIND SCENES RECOGNIZED

An audi program is scheduled for Friday morning at 9:00 a.m. At 8:00 a.m. students are busy organizing the stage on which they do not appear. These students are members of the stage crew, and they should be congratulated for a fine job. Lighting, sound, and setting is provided by the crew, along with their dedicated help.

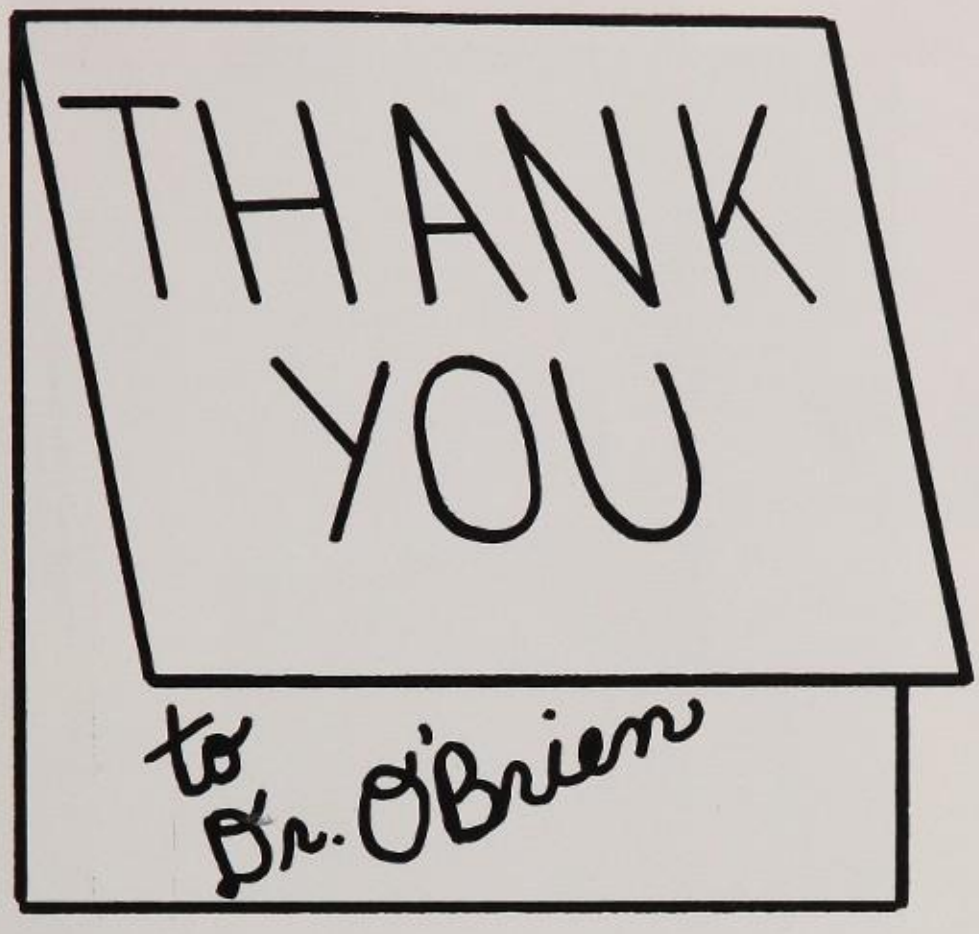
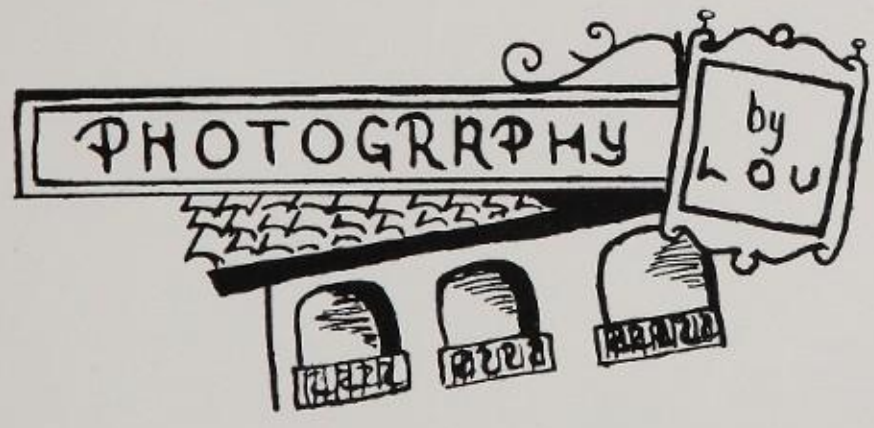
ACKNOWLEDGMENTS



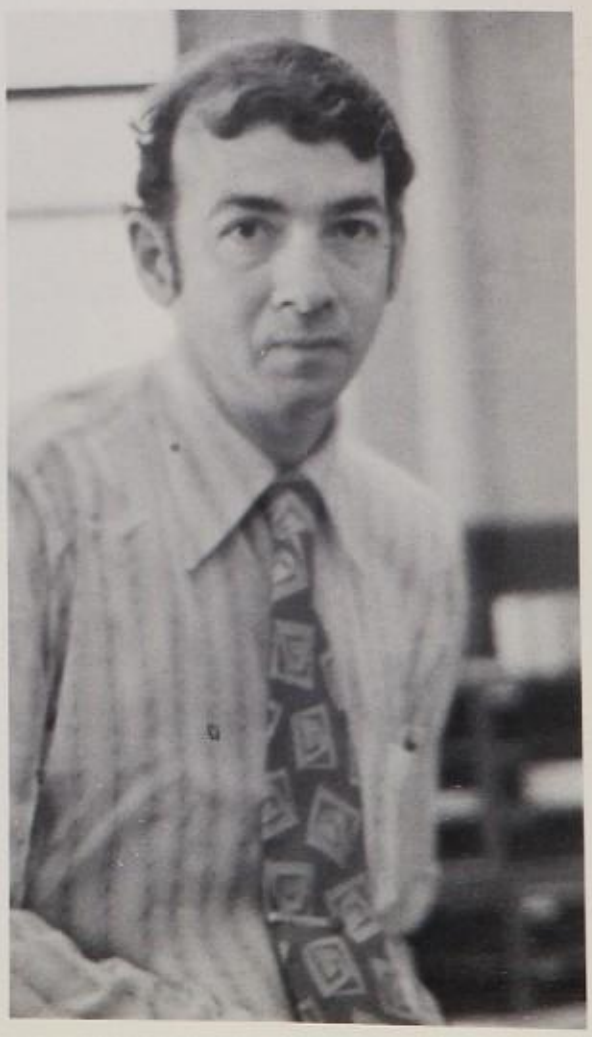
The 1976 Senior Class wishes to thank Dr. Richard O'Brien and his staff for their unlimited cooperation in gathering information necessary for the completion of this Gnome.

This page would not be complete if our advisors, Richard Woodall and Catherine Wilson were not mentioned. They have helped us concerning costs, changes, and additions.



The Gnome Staff would like to thank Mr. Hessman for the giving of his time and equipment.

The Staff would also like to acknowledge the fine photography by Lou.



THANK YOU: To Mrs. Amoroso for the use of typing classrooms and copy machines . . . To Mr. Baker for tolerating our short notice . . . To Mr. Gannon for allowing your class to fall asleep . . . To Miss O'Hagen for rereading the literary copy.

RETIRING TEACHERS

Everyone was saddened to hear about Vincent Matera's retirement. His guidance and constant caring have aided many students. A smile was always on his face. We will always have fond memories of this man and hope he has a pleasant retirement.

We will always remember Peter Ferrini for his 41 years of dedicated service to his students and school. We will miss having him as our Engineer Drawing teacher. He was a fine and softspoken man. He graduated from Newark College of Engineering and New York University. As a service to the students, he organized the Camera Club.

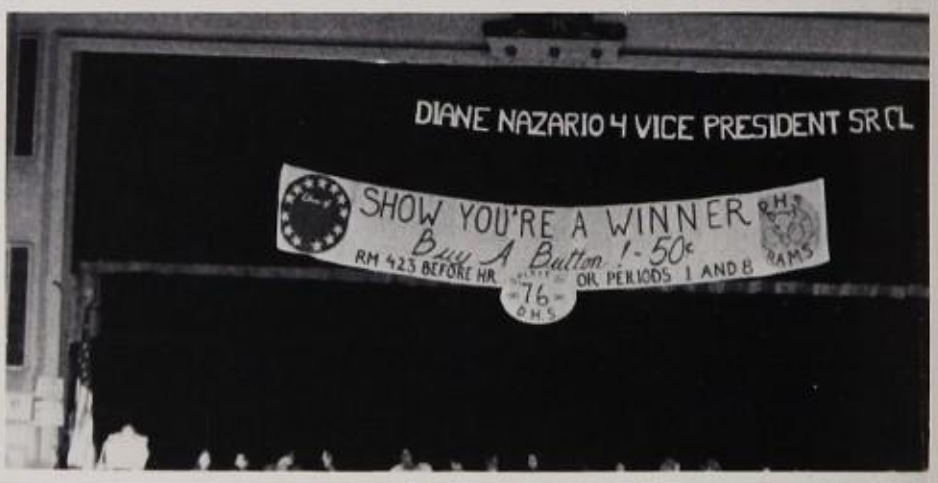
We wish Mr. Ferrini good luck in his retirement.

IN MEMORIAM . . .

We have set this page aside as a memorial to Mr. Anthony Petrizzo. Let us remember the many good mechanics his classes have produced. Even more, let us remember his friendliness and his caring for all. He always had a cheerful joke or word of wisdom for those who were feeling depressed. He was well liked by teachers and faculty. Very dedicated to his work, he taught Auto Mechanics for thirteen years. The Auto Club was formed by Mr. Petrizzo.

FRESHMAN CLASS

Remember that bright and sunny day, September 4, 1972, when a class "with not so bright and sunny faces" stepped into the crowded corridors of Dickinson? Those freshmen were ourselves, and that day was our first at Dickinson High School. Everyone developed a bad case of freshman-itis — tripping "up" stairs, traveling "down" the up staircase, and find that that you were the only one in the wrong class. Slowly but surely procedures were learned and a sense of belonging resulted.



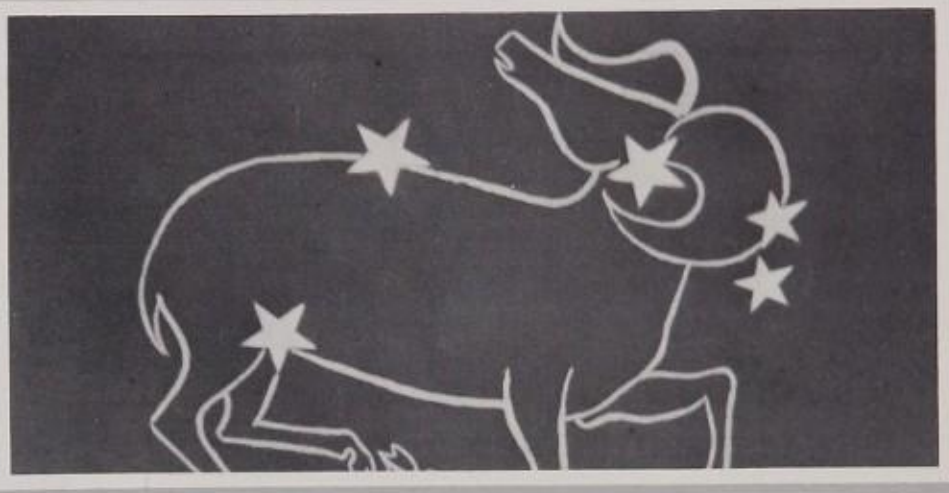
JUNIOR

Remember September 4, 1974? It holds the memory of our being upperclassmen for the first time. There were the junior class elections, and the meeting of our class advisors. Unity, salesmanship, and fun blended together to allow for our success. Polyhydrons, the Bear Mountain Trip, T-Shirts, and the dance were activities involving all of us. Excitement continued as the junior girls defeated the female faculty in the basketball game. Everyone pitched in as the date of the Junior Prom approached. We selected our theme very easily. "You've got a friend" suited the occasion because of the closeness we had developed with each other. Rumor had it that we were on our way to becoming the best graduating class of D.H.S.

HISTORY

SOPHOMORE

Remember that hazy and humid day, September 6, 1973, when a class "with bright and sunny faces" trotted up the stairs to school. Those sophomores were ourselves, and this year would be great! Teams, squads, and clubs had to ready themselves for our iniative and enthusiam. A feeling of importance arose and by June we were prepared to hold the role of juniors.



SENIOR

On September 3, 1975, Dickinson High School's 1976 seniors entered the halls. Collecting dues, selling candy, and sponsoring dances occupied our time for the first half of the year. The senior boys were defeated by the male faculty again, while the senior girls and female faculty cheered the players. Before long, auditions and rehersals were here. "A Funny Thing Happened on the Way to the Forum" was a complete success! Newspaper coverage, sell-out crowds, and fully satisfied audiences was our proof. It was indeed "The Time of our Lives" as we then attended our Senior Prom. The prom was held at the Shalimar on May 7. The atmosphere, the music, and the food lived up to everyone's expectations. We then began to realize that time was creeping upon us and soon we would say good-bye to this our Alma Mater.

We live the present, look towards the future, but cherish the past. Farewell . . . .

WM. L. DICKINSON HIGH SCHOOL JERSEY CITY

Class of '76

Determined to create, eager to reach the goals set before us, and hopeful of capturing the mood and meaning of a bicentennial class, we recall the months spent in constant work. A difficult task? An arduous task? Yes! But triumph over the impossible tasks in life is a satisfaction difficult to relate in words. The accomplishment lies before you awaiting the final verdict.

Here is the reflections of four years gone; here are the hopes for your future success. What you have done is a personal achievement. What we as a class have done is inscribed in this book.
